CW-24-01	Partners in Dementia Ltd	Based in Osbaldwick & Derwent Ward and service open to participants city wide	Support for those affected by Dementia and other long term conditions with additional physical disabilities. Looking to make their activities more accessible such as growing fruit, vegetables and flowers. To acquire raised beds and soil so that people can participate comfortably when growing and doing things meaningful and familiar. Some service users have mobility issues so the acquisition of wheelbarrows with two wheels, which are more stable than ordinary one wheeled wheelbarrows, would help them to participate in feeding the animals; a potting table and specific gardening tools would help service users who have difficulty planting and potting plants participate more fully with those activities.	<ul style="list-style-type: none"> • Health and Wellbeing • Equality of Opportunity • Affordability in the cost of living 	04/09/2024	£2,758.00	Funding Released
CW-24-04	York Rescue Boat	All Wards	This project is the purchase of a flood trailer for use when York Rescue Boat deploys teams to assist with search and rescue operations when the River Ouse has flooded. The type of trailer they wish to buy is a twin axle debon c500 box trailer with a drop down tail gate 3.5m long and 2.5m wide that can be towed by a pickup or large car. A flood trailer will provide better facilities for our flood teams and members of the community when the Ouse floods, improving health and wellbeing of all who find themselves helping with or affected by flood water.	<ul style="list-style-type: none"> • Health and Wellbeing 	04/09/2024	£6,300.00	Funding Released

CW-24-07	Edible York	All Wards	Edible York's annual Abundance scheme to support residents on lower than average income. Harvest fruit that would otherwise go to waste and distribute it to community cafes, food banks, schools and any other organisations or individuals who can put it to good use. Support garden owners participating in the scheme who request information of how to care for trees or address particular concerns regarding their trees. Share information as widely as possible on the very many benefits and uses of apples and other fruits, which are so often abundant in many gardens, parks and open spaces in our City.	<ul style="list-style-type: none"> • Health and Wellbeing • Equality of Opportunity • Affordability in the cost of living 	04/09/2024	£3,180.00	Funding Released

CW-24-11	York Community Energy	All Wards	Our York Energy Advice project is already very active in this area and this project would enable further growth. Wish to raise more awareness of the issues and how to address them in a few different ways to reach various audiences: draught proofing workshops, recruiting community champions, and free thermal imaging and energy check-up surveys using new equipment to aid the analysis of thermal efficiency.	<ul style="list-style-type: none"> • Health and Wellbeing • Affordability in the cost of living • Environment and Climate Change 	04/09/2024	£5,793.00	Funding Released
CW-24-12	Explore York	Based in Acomb, Guildhall, Heworth, Rawcliffe & Clifton Wards and service open to participants city wide	To deliver a series of activities for 11-18 year olds in Tang Explore, Acomb Explore, York Explore and the new build Clifton Explore (opening Autumn). These activities aim to challenge the imaginations and ignite the aspirations of our young people, enabling them to explore possibilities in a safe and relaxed environment. There will be a mixture of workshop style activities in the school holidays and regular activities delivered over a longer period. Activities would include: a creative community project in Acomb, art workshops at York Explore, and LEGO robotics at Tang Hall.	<ul style="list-style-type: none"> • Health and Wellbeing • Equality of Opportunity • Affordability in the cost of living 	04/09/2024	£9,600.00	Funding Released
CW-24-15	Out Of Character	All Wards	Work is specifically designed to support adults (18+) in York who have lived experience of mental ill health. They want to provide a more accessible entry level for adults with mental ill health into their company. This new Theatre Pathway will include a foundations course to bring in new participants (15), and develop their skills and confidence in theatre. It then progresses onto a preparatory course for actors in training (15), and a larger intake within Out of Character Theatre Company (20-25) to increase access to professional opportunities (minimum of 60 workshops per year).	<ul style="list-style-type: none"> • Health and Wellbeing • Equality of Opportunity • Affordability in the cost of living 	04/09/2024	£9,600.00	Funding Released
